

CDH Medical Staff Go-Live Update: September 29, 2022

Tip of the Day:

How to enter an eMOST Order

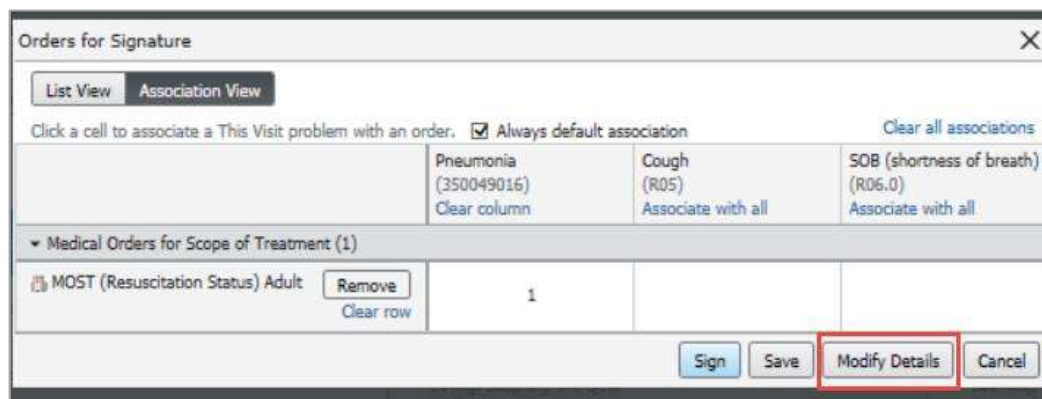

1. In Provider View, go to the New Order Entry component and search for MOST. The available MOST orders appear in the search window, select by clicking on the desired one.

2. Click on the **Order Tray** to open Orders for Signature window.

3. To enter order details you must Click **Modify Details**.

4. The blue icon indicates order details are needed. Click the **blue icon** to open order details.

Orders for Signature					
	Order Name	Status	Start	Details
