

IHealth Activations in 2021 and 2022

Congratulations and a huge “thank you!” to staff across Island Health for adopting new Cerner EHR functionality in 2021 and 2022.

| Acronyms Legend | ClinDoc = Clinical Documentation | CPOE = Computerized Provider Order Entry | CHS = Community Health Services |
|-----------------|-------------------------------------|--|---------------------------------|
| | CCM = CareAware Capacity Management | eMOST = Electronic Medical Orders for Scope of Treatment | LTC = Long Term Care |
